President, State Board of Education
Nevada Department of Education
700 E 5th St
Carson City, NV, 89701

Dear Board President Wynn:

Tesla has committed to investing \$37.5M in Nevada's K-12 education system. Tesla is pleased to make the company's first contribution to the Education Gift Fund ("EGF") within Nevada's Department of Education to support K-12 education in the state of Nevada.

Alongside this letter, Tesla is presenting a check for \$10,000 made out to the EGF. Tesla directs this funding to be allocated as follows: \$10,000 to the Truckee Meadows Community College ("TMCC") Foundation, to support the delivery of training in career and technical education programs to high school students in the TMCC High School Technical Pathway and ACE Charter School Middle College located at TMCC's William N. Pennington Applied Technology Center.

Best regards,

A handwritten signature in blue ink, appearing to read "JB Straubel".
